11/26 ONE-TAP PLATFORMER

Froggy Tapventure

> **One tap, one frog, 30 levels and a tower that just keeps going down**

Froggy Tapventure is a one tap platformer in pixel art. The frog runs on its own: you tap to jump, hold for a bigger leap, kick off walls and swipe to dash. Earn three stars in each of 30 levels across five worlds, then go down the endless tower.

WHAT'S INSIDE

- One button: tap to jump, hold to jump higher
- Wall slides, wall jumps, quick turns and dashes
- 30 hand-made levels across five worlds
- Three stars per level: the cup, every fruit, no damage
- Stars open the next worlds
- More hearts as the levels get harder, up to ten
- Best time saved on every level
- Arcade: an endless tower, one heart, beat your deepest floor
- Crisp pixel art and music for each world
- Touch, keyboard or gamepad
